5 Year Warranty

HPC offers a 5 Year NO QUIBBLE Warranty

HPC and its Authorised Distributors are able to offer a 5 Year No Quibble Warranty on all new HPC compressed air packages.

This warranty is given free of charge provided that an HPC Authorised Distributor Service Agreement is signed. With the NO QUIBBLE warranty there are no hidden costs, no stage payments, no excess charges, no previous claim penalties, no restriction on hours run and definitely NO QUIBBLES.

In the unlikely event that a problem occurs with the compressed air system it will be repaired by HPC or an Authorised Distributor without incurring any labour or material costs.
